Career Objective

A final-year B.Tech student in Computer Science Engineering with proficiency in **Core Java** and a focused interest in web development. Seeking a position as a web developer to apply my academic knowledge, develop advanced technical skills, and contribute meaningfully to the creation of robust and user-centric web solutions.

Educational Qualifications

- B.tech in computer Science Eng. - JECRC University   8.4 CGPA   2022-present
- Higher Secondary - Surendra Public School (RBSE)   81%   2022
- Secondary - Surendra Public School (RBSE)   90%   2020

Projects

Portfolio Website [Project Link](#)   August 2025

Created a personal portfolio website to showcase my **skills, projects, and achievements** in a professional way. Designed a **clean and responsive layout** using HTML and CSS, ensuring compatibility across devices. Added **JavaScript-based interactivity** like smooth scrolling and dynamic navigation to improve user experience. This project helped strengthen my **frontend development and UI/UX design skills**.

Amazon Clone [Project Link](#)   August 2025

Developed a static **Amazon-inspired e-commerce website** to practice frontend development. Designed the **navigation bar, product listings, and footer** using semantic HTML and modern CSS. Focused on creating a **responsive layout** with Flexbox and Grid for smooth viewing across devices. Improved understanding of **website structure and styling techniques** through this project.

Campus-Mate - "Your Placement Prep Partner"   upcoming

Planning a full-stack college companion web app to provide students with **study resources, event updates, and placement preparation tools**. The project will include **secure authentication, dashboards and resource sharing**, allowing me to strengthen my skills in **backend development, database management, and complete MERN stack**.

Skills

- **Programming Language :** Java | Java Script
- **Technologies/Framework :** HTML | CSS
- **Core Subjects :** DSA | OS | SEPM | DBMS | OOPs
- **Developer Tools :** VS Code , GitHub
- **Soft skills :** Time management | Consistency | Teamwork | Problem solving skills

Certifications

- DSA in Java   Apna College   March 2025
- 'A' Certificate in NCC   Surendra Public School   27 June 2022
